Enola Rail Trail Update: Mark gave an update on the meeting of the Rail Trail Committee – the pavilion at the Bushong Rd Trailhead could be built before the trail surfacing is complete. It needs to be determined if the

structure could be funded from a DCNR grant; labor to install would be voluntary. A nearby well on the railroad bed could be tested to find out if it is suitable to provide running water in the pavilion.

ZHB Recommendation: On July 15, 2019, a zoning hearing will be held for Omar F. Esh (353 Camargo Rd) requesting to operate a wood working shop as a farm-related business. The Supervisors were not in favor of granting the request as the property does not qualify as a farm (must be min. 20 acres per the Zoning Ordinance).

Public Participation:

Tom Spring (217 Stony Hill Rd) inquired whether the ditch that is causing water issues on his property falls under the PA Ditches and Drainage Act. Mark explained that the Township can only clean a swale on private property if it causes water backup on a township road.

Adjournment: A motion to adjourn the meeting was made by David Rineer and seconded by Randy Kylar; motion carried unanimously.

The meeting adjourned at 7:48 PM.

Respectfully submitted,
